The **Estes Park Art Scene** has grown over the last 20 years. Many artists of national and international renown are now represented in the galleries on the current art map. From museum quality shows to quaint artist studios, enjoy original art: original paintings, sculpture, pottery, weaving, jewelry, woodcarving, Native American crafts, Celtic designs, glasswork, handmade paper, and photography fashioned by accomplished artists of local, Colorado and national acclaim. Whether your preference is a mountain landscape, wildlife photography, abstract art or an eclectic mix of each, every gallery has something unique to offer. Some locations will have artists on hand demonstrating technique and different mediums of art or have special events and shows.
